**Arizona Vanilla Company creates an All Natural Sugar-free Flavored Syrups**

*-- Arizona Vanilla Company is excited to announce the introduction of their new Totonac All Natural Sugar-free Flavored Syrup line of products.*

**Mesa, Arizona, December 1, 2009** – Patty Elsberry the owner of Arizona Vanilla Company, LLC, a minority owned, dynamic online retailer and distributor of high-end specialty seasonings, announces that Arizona Vanilla is unveiling its Totonac All Natural Sugar-free Flavored Syrups.

“We have spent the better part of this last year developing this line of all natural, sugar-free flavored syrups,” explains Patty Elsberry, Managing Director of Arizona Vanilla Company. “These syrups do not use sorbitol, erythritol, or any other form of sugar alcohol. We started from scratch with a combination of Stevia (Reb A) and Luo Han Gao as the sweetening ingredients.” This combination of sweeteners gives the Totonac All Natural syrups a wonderful flavor. “Totonac All Natural Sugar-free syrups are formulated for easy line extensions. We are working to expand the flavors, so that these syrups can be used with shaved ice, ice cream, pancakes, waffles, etc. There are so many applications for this type of all natural syrup” Ms. Elsberry goes on to explain.

The line of Totonac All Natural Sugar-free Flavored syrups includes Vanilla, Vanilla/Cinnamon, Raspberry, Almond and Hazelnut. Each one is true to the flavor which makes them a great addition to any hot or cold drink. Arizona Vanilla hopes to expand this line over the coming months with additional flavors and usages. They all can be purchased on the company website. Arizona Vanilla is working with its network of brokers to move the products onto the store shelves as well.

Totonac Gourmet All Natural Sugar-free Flavored syrups are great products for the coffee houses, restaurants, cafeterias, or the office break room. Totonac All Natural Sugar-free Flavored syrups are available in a convenient 9 oz bottle.
